

Name: _____

Student Response Worksheet
February 6, 2012 Notes from the Trail
Sled Dogs Come in All Shapes and Sizes

1) What are the five types of sled dogs?

2) What does the term “freight dog” mean?

3) Why do you think there are so many different types of sled dogs?

4) What type of dog would you choose for a long expedition in a cold climate?
Why?

5) What type of dog would you choose for running in a race? Why?

Bonus: Do some research about the type of sled dog that you find the most interesting. Investigate where they came from and what they were traditionally used for.
