North American Odyssey

Forest Fire in the Boundary Waters

1) Explain two ways that forest fires help regenerate the forest.

2) What are the four elements of safety all firefighters learn in their basic firefighting class?

1) _____ 2) _____

3) _____ 4) _____

3) Name two things a firefighter is tested on each year.

4) What was the evidence that firefighters found that convinced them moose, wolves, and bears had come through the area?

Bonus: Explain how helicopters help fire fighters put out forest fires.
