

Student Response: April 17, 2006

Name _____

In today's Notes from the Trail, what animals visited the team's camp? How would you react to each of these visitors?

In today's Notes from the Trail, Dave writes about camping in the rainforest and staying at Ranger Stations. Where would you prefer staying? What are your reasons for your choice?

What did Warren get bitten by today?

In today's Animals of the Amazon, Patrick writes about the mutualistic relationship between the Cercopia tree and ants. How do the ants and the Cercopia tree help each other?

In *Animals of the Amazon*, Patrick also writes about two other animals that interact with the Cercopia tree. What are these other animals and how do they benefit and/or harm the tree?

In *People of Peru*, Anna writes about two different kinds of houses that are built in the flooded forest. What are they and which house would you rather live in?

In *People of Peru*, what similarities and differences exist between the building you live in and the structures Anna describes?

In today's Daily Dilemma, Dave discusses several options for where the team could sleep when it is difficult to find dry land. What would you prefer to do? Can you think of any other options for the team?
