---

In today's Notes from the Trail, Dave writes about how hammocks have provided the team with essential shelter from the elements and protection from various critters. In your house or apartment, what sorts of things are you sheltered from?

---

---

---

---

---

What happened to Dave after he was bitten by ants from the Cercopia tree?

---

---

---

In today's Animals of the Amazon, Patrick writes about macaws in captivity compared to macaws in the wild. If you were a macaw, where would you prefer to live? What reasons do you have for your preference?

---

---

---

In *Animals of the Amazon*, what is unique about a macaw's beak? What two things can a macaw use its beak for?

---

---

---

In *People of Peru*, Anna writes about illegal loggers. How does illegal logging affect the rainforest?

---

---

---

---

What reasons would someone have for illegally logging?

---

---

---

---

---

In today's Daily Dilemma, the team asks for your advice on how to handle their encounters with illegal loggers. Have you ever been in a situation of noticing someone break a rule? How did you handle it?
